

Please do not allow the new LPFM stations to take priority over current FM translator service. This could cause the loss of my local K-Love radio service. K-Love provides me with uplifting encouragement needed to get through the week. K-Love also ministers to me on a daily basis. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, many people in my community would lose the ability to hear and learn about God's love for them. Many people would not get the encouragement they might need to press on through their day. I believe that the service provided by K-LOVE is in the public interest because it can make the community a better, more loving, friendly place. It offers the public hope. Hope in Jesus, hope in life...
